Dear Patrons/Friends/Devotees

We take this opportunity to thank you for your unending support during these trying times with COVID-19 at its peak, we wish all members and their family members a safe and healthy year ahead. Trust you are all taking necessary precautions to safe guard yourself.

The Bengal Cultural Association, Ahmedabad (BCA) is the pioneer association of the Bengali community and has been organizing Gujarat's Largest Durga Puja and supporting all the communities in times of need, this is one such time!

As Bengalee community cannot congregate this year also for Durga Puja 2021 due to government regulations, we have decided to do Puja in smaller scale at Kalibari Campus on Kalibari Road, Ambli, Bopal. The Puja rituals and other events will be done virtually. However, the funds collection will be done as being done during the past years. We have decided to undertake the extension work (Kalibari Community Block) Project that will house a new prayer hall along with private residences for the Purohits staying at Kalibari. The facility is being done so that there will be spacious hall which can accommodate more devotees during the ceremonies performed for the Departed Souls. At present it is being done in a very small place as these ceremonies cannot be performed in the main temple hall. Moreover, during summer and rainy days it is very difficult and also becomes little expensive for creating pandal for small gatherings for such ceremonies.

Along with blessings of Maa Kali and our hardworking we require the help of generous devotees like you, to make this a possibility and hence we would solicit your support to help us with this cause with contribution/ sponsorships/donations so that the dream of making the Kalibari Community Block becomes be a reality.
