Dear Patrons / Friends / Devotees

Bengal Cultural Association was established in the year 1938 by few Bengalis coming from their native Bengal. The Bengalis coming from the eastern part of the country were missing their favorite yearly festival of Durga Puja. The Gujarati patrons, who were admirers of our Culture, gave their support and encouraged to start the festival to keep connect with their tradition. There after no looking back. Year after year, it started growing. The festival, which was mainly concentrated amongst few Bengalis, has now wide spread amongst all the communities especially Gujaratis. The number of Puja Pandals have also increased not only in Ahmedabad but throughout the state of Gujarat. In Ahmedabad itself almost 15 puja pandals are there. Bengal Cultural Association will be celebrating 85th year of the festival, which itself speaks about our growth and popularity. Our puja festival is the biggest congregation of our community in the western part of the country.

With the passage of time the passion of our community grew and idea was floated to have Kalibari (Kali Mandir) of its own. Few members took the challenge and started looking for a land nearby place where concentration of Bengalis is more. In the year 2004 the land, where our Kalibari is placed was purchased. It took almost 10 years to built the Kalibari and Goddess Kali was incarnated on 3rd March, 2014. Ahmedabad Kalibari, a landmark has become a cultural hub besides a religious place. This has become possible only because support and help of generous devotees like you. We are, shortly constructing a community Centre, keeping in mind the current and future needs of the community. There will be a prayer hall, residence for Purohits staying at kalibari. The proposed prayer hall will be spacious to offer prayers to the departed souls. To make this a possibility, we solicit your support, as being done from time to time with Contribution / Sponsorship / Donations so that the making of Kalibari Community Centre is smoothen.
